Section 2

Local Area 911 Implementation

List all individual local areas covered by this report (e.g., Lee County, Virginia):

Parts of the counties listed below in Oklahoma.

Blaine

Caddo

Canadian

Custer

Washita

For each area listed above, identify the emergency response point to which calls are now being routed.

The 911 calls are being routed to our Operator Service Provider. That provider is Southwestern Bell Telephone Company. They have a listing of all the emergency number in each of our communities.

Section 3

Certification - To be signed by an authorized representative of the reporting entity

I certify that I am an authorized representative of the above-named reporting entity, that I have examined the foregoing report and to the best of my knowledge, information and belief, all statements of fact contained in this form are true and that the reporting entity has completed the steps necessary to properly route 911 emergency calls in the localities covered by the report as of 9-4-2002.
